

FREQUENTLY ASKED QUESTIONS

Which Westtown School volunteers are required to have background checks?

Westtown School volunteers (age 18 and up) who are responsible for a child's welfare or who have "direct volunteer contact" with children at Westtown— meaning the care, supervision, guidance, or control of children and routine interaction with children are required to have background checks. "Routine interaction" means "regular and repeated contact that is integral to a person's volunteer responsibilities."

Westtown visitors are not normally required to obtain background checks to the extent that they are not responsible for a child's welfare or are visiting the school irregularly and not providing for the care, supervision, guidance, or control of children. Some examples of situations where such visitors normally would not be required to have background checks would include but are not limited to:

Back-to-School nights	Halloween parades
Parent/teacher conferences	Working concession stands
School assemblies/concerts	Parent guest readers

Some examples of persons **needing** background checks would include but are not limited to:

- Regular classroom volunteer assistants
- Recess and library volunteers
- Volunteer coaches/club advisors
- Host family members (age 18 and up)
- Chaperones for field trips
