

Winter Enrichment Schedule

Tuesday

Debate Club

Tuesdays | 3:45 - 4:45 p.m. | 3rd - 5th Grade | Jan. 16 - Mar. 5 | \$325 per student

Learn the art of persuasion! Students work in rotating groups and practice their debating skills in a supportive environment, including developing arguments, issuing rebuttals, providing examples, rebuilding their case, and summarizing points of view. Students learn to think on their feet and enhance their public-speaking skills, gaining self-confidence in the process.

Wednesday

Metalsmithing

Wednesdays | 3:45 - 5:30 p.m. | 3rd - 5th Grade | Jan. 17 - Mar. 6 | \$375 per student

Students will work with T. Martin to learn and explore various metals techniques. Starting with Turkish-style copper engraving as a basis for pattern creation, students will learn how to work with sheet, wire, a jeweler's saw, torch, stone-setting tools, files, polishing, casting, and enameling equipment, along with many other tools to learn all about the world of artistic metalwork, and then incorporate their favorite styles of work as they move into long-term projects of their choosing.

Students have the opportunity to follow their passions- in previous semesters students have made ornate plates, functional bowls, rings with gemstones, all manner of earrings, trees, game boards, utensils, tools, figurines, necklaces, keychains, forged sculpture, wire-wrapped stone work and so much more!

Little Inventors

Wednesdays | 3:45 - 4:45 p.m. | PreK - 1st Grade | Jan. 17 - Mar. 6 | \$325 per student

In this "inventive" program students design and create solutions to problems, teaming up to identify the need for a new invention, and producing real structures and solutions. In one STEM challenge, students build bridges using a variety of materials and experiment with how much weight they can hold. Students will also learn about famous inventors, and discuss how inventions improve our lives.

Thursday

My First Hot Cocoa Stand

Thursdays | 3:45 - 4:45 p.m. | K - 1st Grade | Jan. 18 - Mar. 7 | \$325 per student

Learn how to make yummy hot cocoa, and earn money selling it. A hot cocoa stand is a great way to introduce our youngest entrepreneurs to the world of business and is fun! From

designing marketing flyers to estimating profits to experimenting with recipes, students have fun while developing business savvy! At a student showcase event, students launch their stand as a fundraiser for a charity they select!

Chess Club

Thursdays | 3:45 - 4:45 p.m. | 2nd - 5th Grade | Jan. 18 - Mar. 7 | \$325 per student

Join Teacher Ken for the first-ever MooseKids Chess Club! Students in grades 2 and older with an interest in chess should sign up - no experience necessary. Teacher Ken will walk through the basics of the game with those new to it while providing instruction on advanced tactics and concepts to more experienced players. Students will learn the values of good sportsmanship, critical thinking, and planning while having fun playing one of the most popular games of all time!
