Last year, our athletes participated in Tchoukball (USA), Jokgu (Korea), Cricket (India/UK), Vitella (Dominican Republic), Korfbal (New Zealand) and many others. If your child is interested in learning how to play new and exciting sports, this is the perfect opportunity for them! Students will uphold important sportsmanship values such as teamwork, communication, and mutual respect while gaining new perspectives on what a sport is and why we play them. This is open to students in grades 2- 5 and no sports experience is necessary.

Please ensure your child has proper footwear (sneakers) and appropriate athletic apparel.
